BASIC STANDARDS

- **Accreditations:** All accreditations are **NON-TRANSFERABLE** and **PERSONALIZED**.
- **Uniforms:** Exhibitors must wear their appropriate institutional uniforms throughout the 5 days of the event.
- **Electronic Elements:** The installation of new electronic elements that disrupt the harmony and design of the booth is prohibited.
- **Access Control:** Individuals who are not accredited will not be allowed entry. Only those authorized by the Expo Metal 2025 organization will have access to the facilities.
- **Height Restrictions:** Stands must not exceed the established height limits.
- **Food and Beverages:** Consumption of food and beverages inside the booths is not permitted. A designated area outside the booth tent will be assigned for staff to eat comfortably.
- **Stand Condition:** At the end of the event, stands must be returned in the same condition in which they were delivered to the Exhibitor, including all props.
- **Regulatory Compliance:** Compliance with the provisions of the Regulations is mandatory.
